

**NAOMI CAMPBELL AND LOTUS VP GINO ROSATO  
RAISE \$2 MILLION FOR HAITI**

**8 special-edition LOTUS Evoras sold at auction**

Naomi Campbell's collaboration with Quebecer Gino Rosato has been a resounding success. With the auction of 8 special-edition "Naomi for Haiti" EVORA sports cars, prepared specially by Lotus as a tribute to Haiti, the Fashion for Relief foundation raised more than **two million Canadian dollars**.

The money will go to The White Ribbon Alliance for Safe Motherhood, supporting women and their families around the world. Currently, White Ribbon is working closely with its partners in Haiti to rebuild health centres for mothers and their children.
